

Signing up for an ASU course

1. If you have not already done so, apply online for non-degree graduate admission at <http://www.asu.edu/graduate/admissions/nondegree.html>
2. Once admitted, go to <https://sec.was.asu.edu/intsite/Main> to activate your ASURITE UserID. You will have received an ASURITE UserID and activation code as part of the application/admission process.
3. To find the line number for a course, click on “Class Registration Services” after you have logged in. Next, click on “Schedule of Classes.” Select the appropriate semester. Enter the semester, prefix (ex: SPE), and number (ex: 598) to search for a course. You will need the line number to register for the course.
4. Return to the “Class Registration Services Main” to register for the course. Click on “Initial Registration”. You will need to enter the line number to register for that course.
